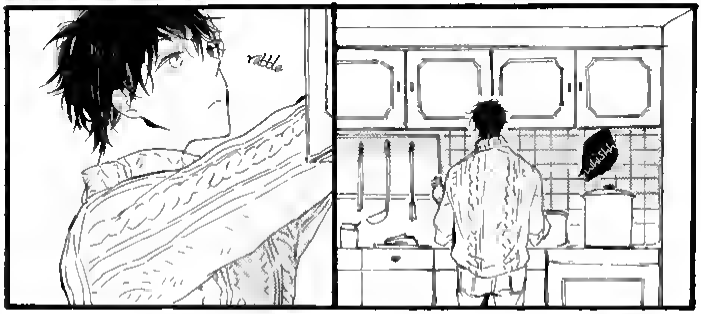
WE CAN SEE AN AURORA TONIGHT.
MAKE SURE TO BURN IT IN YOUR EYES
IT'S THE MOST BEAUTIFUL THING IN THIS WORLD
IT'S A SECRET TO THE PEOPLE IN TOWN
IN THE FARTHEST ENDS WHERE EVERY TREE ALL OF THE GROUND
AND JUST ABOUT EVERYTHING IS COVERED IN SNOW

YOU CAN FIND THE MOST BEAUTIFUL THING
TYLTYL
ONCE THE SNOWSTORM STOPS, CUSTOMERS WILL START COMING AGAIN



Yawn

THE PREPARATIONS FOR THE BURIAL ARE DONE.
Oi,
Bandaged hands

To the Milkman

I'm going off
I leave the rest to you
I'm sure the first one to read this will be you
Since Mytyl can't read,
I'm sorry for suddenly asking something so unreasonable,
but I can't ask this of anyone but you
He's strong and smart
He's already 16.

I might be biased, but his looks are good too
Though the fact he can't read or write is a flaw,
I'm sure there's a place for him to work somewhere
I believe you'll somehow pull it off and find somewhere for him to go
After all, that's how it's always been
I want you to show Mytyl,
my brother, the world outside of this place

Until now, I've always been waiting for my father...

I THOUGHT YOU WERE LEAVING OFF TO GO SOME-WHERE...

JUST RUBBISH
fwshh
I WANTED TO MAKE AT LEAST ONE COMPLAINT.
JUST WHEN I THINK HE'S FINALLY BACK HIS EYES ARE SCREWED.
WELL, I'M ALSO AN IDIOT FOR WAITING ALL THIS TIME

...IF OUR FATHER CAME BACK, THAT THE PROMISE WOULD END
Flick
I ALWAYS
THOUGHT

I'VE DONE ALL THE PREPARATIONS.

I BEG YOU, STAY HERE
THAT'S WHY, PLEASE...
PLEASE MAKE A PROMISE WITH ME, TOO.
THAT'S EVERYTHING I CAN DO

I NEED YOU
ONCE THE SNOW MELTS AND SUMMER COMES
I'M SURE I'LL BECOME AN ADULT SHORTLY AFTER

AND THEN I'LL PROTECT YOU FOREVER.
SO,
PLEASE DON'T GO ANYWHERE—

T/N: He calls him Nii-san here.

To my editor Nmura-sama who always blew away all of my worries
To Nda-sama who called out to me
to the designer S-sama, to Ichijinsha-sama and also to everyone who has read this book
Thank you so much!☆

This is my first comic
it's also the first time I tried writing BL.
When I was troubled about what's BL or what's love, I was told "Just draw it the way you want!" Since they allowed me to write it the way I wanted what came out was this story about two brothers in Alaska
"Even if they want to go somewhere far away, they can't", that's the kind of story I wanted to draw I put my all into drawing this so I'd be really happy if you read it
